Norwood Municipal Light Department Air Source Heat Pump & Central AC Rebate Application

Rebate Terms & Eligibility

- Customer must have an active residential account in good standing with Norwood Municipal Light Department
- Approved rebates will be credited to customer's account after the 8-10 week processing time.
- The program runs from 7/1/19 - 6/30/20.
- Application must include:
 1. Legible copy of the sales receipt or installer's invoice. Installer's invoice must include the following info about each installed unit: Brand, Model number, and indicate which units are outdoor or indoor
 2. Product document showing AHRI number. Acceptable documents are the AHRI paper certification or search result from the AHRI look-up site, <https://ashp.neep.org/#/>
- The rebate is awarded per system, not per unit.
- Appliance must be installed at the account location.
- NMLD reserves the right to inspect the installation on premises.
- NMLD is subject to availability of funding.
- Rebate program terms can change anytime.

This offer is brought to you by Norwood Municipal Light Department
NMLD reserves the right to change these terms at any time.
