Norwood Municipal Light Department Energy Star Appliance Rebate Form

Rebate Terms & Eligibility

- Customer must have an active residential account in good standing with Norwood Municipal Light Department
- Approved rebates will be credited to customer's account after the 8-10 week processing time.
- Application must include a legible copy of the sales receipt dated on or after July 1, 2019 but before June 30, 2020.
- Energy Star-certification proof in the form of:

The large, yellow Energy Guide label that shows the Energy Guide logo on the label from the purchased appliance. (*Exception:* programmable thermostats don't need Energy Star certification because all models are considered Energy Star certified.) See example at the bottom of page.

OR

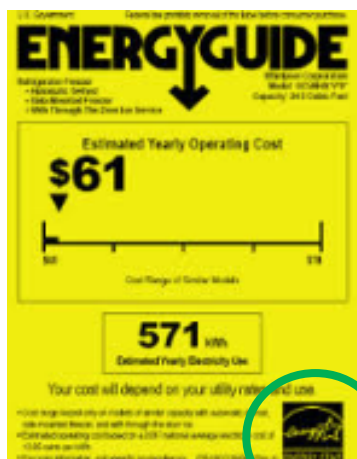

The Energy Star certification from the Energy Star certification site:
www.energystar.gov/products/energy-star-most-efficient. Lookup your appliance by type and model number.

- Appliance must be installed at the account location.
- NMLD reserves the right to inspect the installation on premises.
- NMLD rebates are subject to availability of funding.

**This offer is brought to you by Norwood Municipal Light Department
NMLD reserves the right to change these terms at any time.**
